

TECHNOLOGY / MANAGEMENT CONSULTANT (M/F/DIV)

Hanselmann & Compagnie Ltd (www.hcie-consulting.de) is a medium-sized management consulting company that has its registered office in Leamington Spa – our headquarter is located in Stuttgart /Germany.

For well-known customers especially from the automotive manufacturer / -supplier industry, the industrial goods sector and mechanical engineering we design sustainable solutions and accompany in

the operative implementation. In doing so, we consistently focus on value enhancement and always think and act entrepreneurially to create a sustainable added value.

To strengthen our consulting team we are looking for motivated and customer-orientated Technology / Management Consultants (m/f/div)

CHALLENGING TASKS THAT MOVE YOU FORWARD:

- You complement your project team in the operative day-to-day business through self-dependent work packages in the areas of strategy & organization, R&D, operations, innovation and project management.
- You will be involved in the development of innovative and sustainable solutions and business models along the entire value chain
- You will help our customers to identify decisive potential for improvement and to use synergies effectively
- You will perform precise and methodically accurate analyses, devise solution concepts and ensure their implementation
- You accompany multidisciplinary work appointments and management workshops and support both in terms of content and methodology
- Within the project you take responsibility as the customers first point of contact and interact as an interface within the customer's organisation

YOUR PROFILE TO MAKE A DIFFERENCE WITH US:

- Successfully completed, technically-oriented course of study with a focus on industrial engineering, mechanical engineering or a comparable field
- Basic knowledge of project management
- Very good organizational and communication skills, assertiveness
- Confident presentation of own results in front of an audience
- Ability to work in a team, social competence and a systematic and structured working method
- Strong service mentality, ability to work self-initiated with a high degree of flexibility
- Personal engagement and sense of responsibility
- Proficient in MS Office, especially Excel and PowerPoint

OUR OFFER TO TAKE OFF TOGETHER WITH YOU:

We offer you permanent employment with interesting projects and prospects in various industries and companies. By providing targeted development opportunities, we foster opportunities for you to expand your knowledge and skills. From the beginning we give you a high level of trust, responsibility and the necessary freedom

to work on your projects. You can expect a team with flat hierarchies in which internal interchange between experts is fostered. If we have aroused your interest and you want to take off together with us, we are looking forward to your application.

Simone Beyer from our partner HR consulting company HUMANEXX is looking forward to assist you in case of questions. Therefore please call on +49 160 90532312.
